Wedding Portraiture Pricing

Wedding Photo Session: \$889.00

- This includes candid portraits immediately prior to the wedding, ceremony shots, group set ups and reception time. General candid photos will be taken as the opportunities arise.
- All wedding preview (usually totaling 400-500 with black and whites and special effects) will be made available online, within 3-5 days of the wedding, at no extra charge! Guests will be provided with password cards during the reception and will be able to order portraits directly from the photographer. The online images will be available for a minimum 90 days. This is a great convenience to everyone and is part of the Photo Session price. (Ask about viewing an online sample!)
- A 200 print 4 x 5 portrait album will be provided as part of the package; we encourage the Bride and Groom to pick their own album images from the online previews for a more personalized album!
- And...clients love our unobtrusive photographic style! This day is all about you!
